The BDSM Femdom Partner Checklist is a list of D/s activities that you may find helpful in guiding your erotic actions. It is meant to be filled out by a submissive for the Dominant's use. Alternatively as a Domme, this can be filled out to indicate your tastes, as well as whether you are willing to do something. Kink Check lists can aide in the negiation process making play more benificial for BOTH

The list should be used as follows:

Column 2: Answer YES or NO next to each item to indicate if you have ever DONE that activity.

Indicate for each item how you FEEL about that activity by rating it on a scale of 0 to 5 or as a NO. NO means NO you will NOT do that item under any circumstances. A zero indicates you have no desire to do that activity (or in fact, may loath it) but you are willing to do it to please the Dominant/submissive. 5 means the activity is a wild turn-on, with the other numbers indicating some level in between those two.
